## Lesson in a Pepsi bottle

Years ago I was teaching Bible study methods and habits to a group of new believer's class when it occurred to me that the acronym P.E.P.S.I. would be a good reminder of what to look for whenever you read any passage of Scripture. It works!!! Years later my students reminded me that they never forgot how to squeeze truth out of every passage using this memory tool.

- P** - Promise to claim
- E** - Example to follow
- P** - Prayer issue to pray about
- S** - Sin to avoid
- I** - Instruction to follow

Use it in any Bible reading. It works. I keep a journal of my readings with the PEPSI acronym handy so I can record my findings.

*“Study to show yourself approved into God a workman that needs never be ashamed, rightly dividing the Word of Truth.”*

2 Timothy 2:15
