

A Weekend Prayer Ministry

Coming Alongside to Preach and Teach Prayer

Here are some options for special prayer weekends. We always begin in every church with the main theme: "A Day In His Courts" in which we spend a full day in God's presence focusing on prayer and learning to love prayer as God intended. This can be a one Sunday prayer emphasis or you can choose to bring us back to your church for up to three or four prayer sundays per year. Check out our other SUNDAY PRAYER THEMES that are designed to be part of an extended prayer emphasis in your church. Whether you are local to the Pittsburgh area (a 2 hour drive we consider local) or if you are far across the country or in another part of the world we have a plan that will fit your needs. Check out our tandem back-to-back weekends with a week-long prayer ministry to you and your congregation. We come on a stipulated freewill offering. The church pays only our travel, and food and lodging where necessary.

A SUNDAY FULL OF PRAYER

A One Day Event:

Sunday AM - Preaching on "Lord, Teach Us To Pray"

Sunday PM - 4-Hour Seminar on "*Spending Time Alone With God*"

(This is a training seminar with accompanying book and workbook.)

This is a very useful and effective training tool for teaching your people to pray and enjoy it! This is a ONE DAY event and works well to introduce our ministry. If you like what you hear and see you may want to invite us back other prayer weekends, each with a different emphasis as outlined below. It must be the first weekend on prayer that we share with you.

Three Follow-up Weekends

Coming Alongside to Preach and Teach Prayer

In addition to our introductory Sunday "A DAY IN HIS COURTS" we offer several other possible weekend themes. These weekends are designed for churches within a 2 hour drive of Pittsburgh where travel to your church is not costly. They can be done as consecutive weeks for a month-long prayer emphasis, or they can be done one weekend every three months for a year-long prayer emphasis in your church.

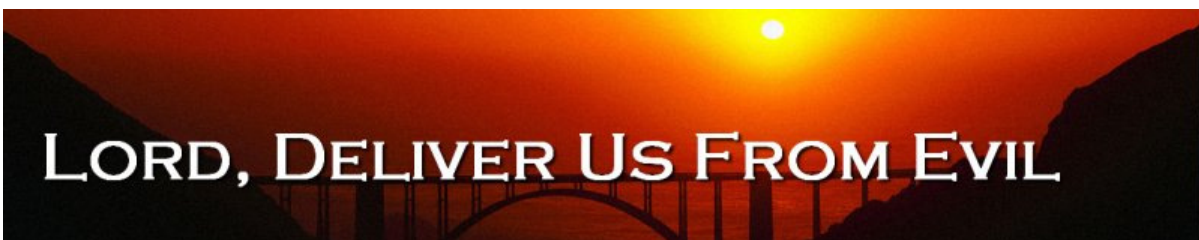

A One Day Event

Sunday AM - Preaching on "*The Healing Presence of Jesus*"
Sunday Afternoon - 2-Hour Seminar "*Experiencing Anointing & Healing*"
Optional: Closing with a Concert of Prayer and Healing Service

A One Day Event

Sunday AM - Preaching on "*Ichabod: The Lost Presence of God*"
Sunday Afternoon - 3-Hour Seminar on "*Claiming the Power of Jesus' Name*"
Sunday PM – Preaching on "*Restoring God's Presence in Your Home*"

A One Day Event

Two Double Headers

Week-Long Prayer Ministries

(Designed especially for distant churches where travel is an issue.)

These double header weekends are designed for distant churches where air travel is required for us to be with you. Each series is two back-to-back weekends with prayer retreats during the week. Thus you get the full advantage of our extended prayer ministry twice during the same year. You could do one in the fall and one in the spring to help you with budgeting the air travel and lodging. In this case I will be with you a total of 20 days out of the year. This setting is contingent on the pastor or pastors entering the coaching program so we can do our Prayer and Planning Retreats together.
