"Study to show yourself approved unto God, a workman that needs not be ashamed, rightly dividing the word of truth."
2 Timothy 2:15

A practical study of the book of Jude

How To Study

Read the Scripture:
Reading the Scripture is important. Read every word. Don't skip. Don't just read your favorite verses. Read it all. Think about what you are reading. Is there any word or statement you do not understand? Is there anything that confuses you or seems inconsistent with other Scriptures? Is there anything you would like to research? Use at least two translations.

Translations:
I suggest New King James, if you like the old wording. The New International Version is helpful. And the English Standard Version is also refreshing. For this study I am using the NKJV because I grew up with KJV and its rhythms are familiar to me. You can use other translations.

Chapter by Chapter:
We are going to study the Book of Romans chapter by chapter. Some chapters are longer and have much to think about. Those chapters we have divided into segments so you cover Romans 8 in four weeks instead of one week. We assume you will use one chapter each week. If you are using this for daily readings then you might find it too difficult to answer the questions. That's okay. My hope, however, is that you use is in a weekly Bible study. Anyone can lead it.

Highlighted Verses:
I have chosen to highlight what I feel are key verses. You may think others are more important. That is okay. Write that in your personal journal or if you are studying in a group write down other verses you feel are important. Oh, and every chapter has one key verse.

Discussion Questions:
We have not attempted to add commentary because we believe the Scriptures speak for themselves and the Holy

Spirit can teach us as much as another person's commentary. I have added suggested questions to answer and discuss. This is especially helpful when studying with a group. You are not limited to my questions, ask your own. In a self-directed study it will be harder to consider your answers to the questions. In a group, however, one question might stimulate other questions. You do not have to answer every question. Use what is helpful and useful and leave the rest.

Personal Edification:
I have often taught my students to look for certain things in ever chapter of the Bible. You will not find all five in every chapter, but you should be able to find two or three. Write them down in a journal or share it with a group. It is called the PEPSI acronym.

Jude 1

Key verses to think about.

1:3 Contend for the faith
Dear friends, although I was very eager to write to you about the salvation we share, I felt compelled to write and urge you to contend for the faith that was once for all entrusted to God's holy people.

1:4 Perverting God's Grace
For certain individuals whose condemnation was written about long ago have secretly slipped in among you. They are ungodly people, who pervert the grace of our God into a license for immorality and deny Jesus Christ our only Sovereign and Lord.

1:7 Sodom and Gomorrah
In a similar way, Sodom and Gomorrah and the surrounding towns gave themselves up to sexual immorality and perversion. They serve as an example of those who suffer the punishment of eternal fire.

12-13 Twice Dead
These people are blemishes at your love feasts, eating with you without the slightest qualm—shepherds who feed only themselves. They are clouds without rain, blown along by the wind; autumn trees, without fruit and uprooted—twice dead. They are wild waves of the sea, foaming up their shame; wandering stars, for whom blackest darkness has been reserved forever.

20-21 Build Yourselves Up
But you, dear friends, by building yourselves up in your most holy faith and praying in the Holy Spirit, keep yourselves in God's love as you wait for the mercy of our Lord Jesus Christ to bring you to eternal life.

1:24 Able to Keep You
To him who is able to keep you from stumbling and to present you before his glorious presence without fault and with great joy—

Main Truth:

We should all earnestly contend for the faith.

Questions:

1 What does it mean for the average believer to earnestly contend for the faith?

2 How do people pervert the grace of God into license to sin?

3 What does Sodom and Gomorrah teach us about the sin of homosexuality?

4 What does Sodom and Gomorrah teach us about hell?

5 What is the destiny of those who do such things?

6 How are we to build ourselves up in faith?
